

Are your old files occupying valuable office space?

DFS has the solution!

Professional Document Filing Solutions

Archiving and storage of documents takes time and space, both of which are a drain on otherwise profitable resources.

Using the professional reliable secure services of DFS you can remove the headache of archiving and free valuable office space, while having a fast reliable retrieval service where required files can be with you in just a few hours

Let us create your filing heaven!

We Offer:

- Professional reliable service
- Confidential Storage at Competitive Prices
- Secure Storage Premises (Alarmed/CCTV)
- Supply of Our Own Sturdy Archive Boxes
- Free Collection
- Cataloguing
- Packing Service
- Same day or next day Returns
- Certificated Destruction Service
- Free Survey and Quotation

Increased Legislation Means Yet More Storage of Documents

**We store
so you don't
have to!**
